PROFESSIONAL SUMMARY

Backend-focused Full Stack Developer with hands-on experience building secure and scalable web applications using **React.js, Node.js, Express.js, and MongoDB**. Skilled in **RESTful APIs, JWT Authentication, MVC Architecture**, and **database design**, with a passion for building production-quality software.

TECHNICAL SKILLS

- **Backend:** Node.js, Express.js
- **Frontend:** React.js, HTML5, CSS3, Tailwind CSS, styled-components
- **Database:** MongoDB, Mongoose (ODM), Database Management Systems (DBMS)
- **API & Architecture:** REST API Development, MVC Architecture, Service Layer Architecture, CRUD Operations
- **Authentication & Security:** JWT Authentication, Refresh Token Rotation, HTTP-only Cookie Authentication, bcrypt, Role-Based Access Control (RBAC), Zod Validation
- **Languages:** JavaScript (ES6+), Python, C++, C, Java
- **Tools:** Git, GitHub, Postman, ImageKit, Multer, Nodemailer, Winston

PROJECTS

Aegis Banking Backend System  , Tech: Node.js, Express.js, MongoDB, Mongoose, JWT

- Architected a secure banking backend with **8+ RESTful API endpoints** following **MVC** and **Service Layer Architecture**.
- Implemented **JWT, RBAC, token blacklisting, HTTP-only cookies, bcrypt**, and **ACID-compliant** money transfers using **MongoDB Sessions**.
- Integrated **double-entry ledger accounting, email notifications, Winston logging, centralized error handling**, and **Postman API testing**.

Spotify Backend API  , Tech: Node.js, Express.js, MongoDB, Mongoose, JWT, ImageKit

- **Architected** a Spotify-inspired backend application exposing **8+ secure RESTful API endpoints** for authentication, artist management, music uploads, and album management.
- **Developed** secure authentication and authorization using **JWT, HTTP-only Cookies, bcrypt password hashing**, and **Role-Based Access Control (RBAC)**, while designing **MongoDB schemas** and **one-to-many relationships** using **Mongoose**.
- **Built** modular controllers, middleware, and protected API routes, integrating **ImageKit** for cloud-based media storage and **Postman API testing** to improve maintainability, scalability, and backend reliability.

Nexora (Ongoing)  , Tech: React.js, Node.js, Express.js, MongoDB, Mongoose, JWT, Zod

- Developing the backend for a **location-based social networking platform** that enables users to discover and connect with nearby people securely.
- Implemented secure authentication with **JWT, refresh token rotation, HTTP-only cookie**, and **bcrypt** password hashing.
- Designed and implemented **modular 5+ RESTful APIs** following **MVC** and **Service Layer Architecture**.
- Integrated **Zod** validation, **centralized error handling, structured logging (Winston)**, and comprehensive **technical documentation** to improve maintainability and scalability.

EXPERIENCE

Web Development and Design Intern - Oasis Infobyte (AICTE Affiliated) 

Aug 2025 – Sep 2025

- Developed **three responsive front-end projects** using **HTML5, CSS3, and JavaScript**, including a Landing Page, Personal Portfolio, and Temperature Converter.
- Built **responsive and interactive user interfaces** using **DOM manipulation** and clean front-end development practices.
- Utilized **Git** and **GitHub** for version control and project management.

Foundations of AI Intern – EduNet Foundation (Microsoft Initiative) 

Apr 2025 – May 2025

- Built a **Python-based AI chatbot** by integrating the **OpenAI API** to generate conversational responses from user prompts.
- Applied **prompt engineering, API integration**, and Python programming to develop and test AI-powered interactions.
- Strengthened foundational knowledge of **Artificial Intelligence, Machine Learning**, and responsible AI development.

EDUCATION

• **B.M.S. College for Women**, Bachelor of Computer Applications
CGPA: 8.25

Aug 2024 – Present | Bengaluru

• **P.E.S Pre-University**, Science - PCMC
Percentage: 79%

Jul 2022 – Apr 2024 | Bengaluru

• **Excellent English High School**
Percentage: 80%

Jun 2010 – Apr 2022 | Bengaluru

LANGUAGES

English (Proficient) | Hindi (Proficient) | Kannada(Native)
